The WSFH is pleased to announce a new membership option. For only \$350, you can become a Life Member. Through this membership, you can show your support for our organization, enabling it to build up its foundation, support its fellowship programs, and pursue new scholarly and pedagogical initiatives. You will, of course, receive a tax deduction, and you'll no longer have to think about paying dues to the Western again! And, if you permit, we would love to show our appreciation by listing you on our webpage as a Life Member.
